

Senior Project Officer – Sewing for Brighter Future

CARE is an international development organization fighting global poverty, focusing on working with women and girls to bring sustainable changes to their communities. CARE was founded in 1945, today **CARE works in 111 countries** around the globe and **supports 1631 poverty-fighting development and humanitarian aid projects to reach more than 174 million people directly and 205 million people indirectly**. We work with partners to achieve lasting results for marginalized communities.

CARE focuses on empowering particularly marginalized and vulnerable women in Cambodia, including urban women who are marginalized by occupation, rural women who are denied multiple rights, and women and girls from ethnic minorities. CARE focuses primarily on the northeast of the country, Phnom Penh, and surrounding areas.

CARE aims to tackle the underlying causes of poverty and social injustice and to bring lasting change to the lives of poor and vulnerable people by strengthening gender equality and women's voice, promoting inclusive governance and increasing women's resilience. CARE knows that it cannot achieve this mission without a team of dedicated, passionate and qualified people.

CARE values teamwork, critical thinking, interpersonal skills and enthusiasm. CARE is committed to providing a supportive and inclusive workplace, where team members are encouraged to learn, grow and share their views. CARE promotes equality and diversity in the workplace as well as within its projects.

CARE is seeking a qualified **Cambodian national** candidate to fill the position of **Senior Project Officer – Sewing for Brighter Future** based in Phnom Penh with frequent travel to other sites as required.

Salary Range: \$860-925

The Summary of Job Responsibilities are listed below:

1. Partnerships and networking
2. Project planning and implementation
3. Monitoring Evaluation and Learning (MEL)
4. Administration
5. Other Responsibilities

Experiences and Qualifications:

The preferred candidate for the role should be with a minimum Bachelor's Degree in Social Science, Project Management, Economics, or a requisite 5 years of relevant experience within an International Non-Government Organization (INGO) or Non-Government Organization (NGO).

The ideal candidate will demonstrate a robust understanding of Cambodia's garment industry and Women's Economic Empowerment initiatives. Essential attributes include proficiency in facilitating training, adherence to organizational policies, and effective team-building skills.

Furthermore, organizational competence, reliability, and discretion are paramount. Fluency in both Khmer and English, coupled with proficient Microsoft Office skills and basic numeric capabilities, are prerequisites, while familiarity with advanced Excel or database programs is advantageous. Finally, an understanding of Cambodia's health sector is desirable.

While your demonstrated experience is valuable, CARE is seeking a candidate who brings existing knowledge of, or a willingness to learn about CARE, gender equality and women's empowerment activities.

As with all CARE employees, you will need to uphold and promote CARE's commitment to Child Protection and the Protection from Sexual Harassment, Exploitation and Abuse.

CARE will provide you with a supportive and flexible working environment designed to recognise your valuable contributions and ensure a healthy work-life balance. CARE encourages continuous improvement through learning and development opportunities.

Please refer to the JD for more detailed information of Job Responsibilities, Experiences and Qualifications.

CARE is an equal opportunity employer committed to a diverse workforce. All qualified applicants are encouraged to apply, including women, LGBTQI+ individuals, people with disabilities, members of ethnic minorities and members of other marginalized groups. CARE International in Cambodia is committed to protecting the rights of children. CARE International in Cambodia reserves the right to conduct screening procedures to ensure a child safe environment.

CARE International In Cambodia participates in the Steering Committee for Humanitarian Response's Misconduct Disclosure Scheme. CARE International In Cambodia reserves the right to seek information from job applicants' previous employers about incidents of sexual exploitation, sexual abuse and/or sexual harassment, and/or child abuse the applicant may have been found guilty to have committed or about which an investigation was in the process of being carried out at the time of the termination of the applicant's employment with that employer. By submitting the application, the job applicant confirms that s/he has no objection to CARE Cambodia requesting the information specified above.

CARE places human dignity at the centre of its relief and development work. At the heart of CARE's efforts to impact poverty and social justice is its engagement with marginalized communities, and vulnerable adults and children. Vulnerable adults and children are particularly at risk of sexual exploitation and abuse. CARE commits to the protection from sexual harassment, exploitation and abuse (PSHEA) of vulnerable adults, involving CARE Employees and Related Personnel. CARE has a zero tolerance toward sexual exploitation and abuse and child abuse. CARE takes seriously all concerns and complaints about sexual exploitation and abuse and child abuse involving CARE Employees and Related Personnel.
